The Titles of the Books of the Old Testament in the Septuagint

(You remember what the Septuagint is, don't you?)

Directions: Below are the titles for the books of the Old Testament as they are found in the Septuagint. Give me the English title for each book. You may use the table of contents for an English Bible (like the NAB) to help you along with your Greek notes, and I have provided hints for the titles you are likely to have trouble with. Good luck!
